

FOLLOWERS JEFF BULLAS [#-[HH8] 6 EFFECTIVE WAYS TO GET MORE INSTAGRAM

[Click Here](#)

with over 1 billion monthly active users instagram is one of today s most powerful marketing tools whether you re a business agency or individual instagram enables you to share content build brand awareness run ad campaigns grow your influence engage with fans gain customer trust and ultimately generate revenue but if instagram is your marketing tool then followers are your marketing fuel instagram s true power comes from your base of followers who engage with your content on a daily basis having more followers on instagram gives your brand more legitimacy and gives you more opportunity to communicate with your audience and convert them into lifelong customers and believers sephora s use of highlights is a great example because the company s highlights organize and display different categories of products such as fragrances and hair care furthermore they have a highlight showing the brand s values this article is part of indiadotcom pvt ltd s consumer connect initiative a paid publication programme idpl claims no editorial involvement and assumes no responsibility liability or claims for any errors or omissions in the content of the article if you increase instagram followers free with unproven external ig apps some of them may send unverified sources to your account which probably gives rise to illegal and unsafe followers instagram may

judge it as a suspicious follower growth activity then you will have the risk of being banned or punished as a spam maker however if you grow your followers using a legit service provider it will be an entirely different story a legit tool always attaches to reasonable and organic growth you will get real human interaction and engagement in your activities on instagram in this way your account can be grown safely without violating the instagram terms of service
